Commandants Message

Some of the main events this past quarter included our annual picnic, officer installation, and several Memorial day events. I would like to take this opportunity to thank all that participated and/or attended these events. The Honor Guard was exceptional and a special THANK-YOU to Fred and Rehtse Regenhard for once again hosting our picnic in their backyard.

The 2014-2015 year began with your newly elected and appointed officers taking their oath of office at our annual picnic. With exception to our newly elected Jr Vice Ed Becker, all officers have retained the position they held last year. As we get underway with the new year, it is time to mark your calendars for future events; aside from the Fourth of July Parade and our

annual Marine Corps Birthday celebration we will be hosting the 2014 Fall Conference (October 9 – 12). All eyes will be on us and your help is essential for making this a success.

REMEMBER this is YOUR Detachment.

Auxiliary President's Message

I would like to personally thank Kamela Ryan for leading our Auxiliary for the past two years to where it is today. We may be small in numbers but we are strong in leadership. All our members do their job 200%.

Our Auxiliary has a great group of women who will lead our Auxiliary even further. We have many events coming up. One will be the 2014 Fall Conference which will be held in Riverview at the Hilton Garden Inn on October 9-12. I am hoping that our Auxiliary will be at the Conference's workshops and meetings.

Also I would like to see the Auxiliary recruit at least 5 new members. We need to add members to our roles so as not to burn out the members we do have. So Ladies see if you can go out and recruit one new member. Make sure that you always carry applications on you so that if you meet a potential new member you can hand them an application with all the information on it.

Thank you to all of you for all that you do.

HOW TO OBTAIN A BURIAL FLAG FOR A VETERAN

Any honorably discharged veteran is entitled to a burial flag. The funeral director, as part of the services, will make the necessary arrangements for the family on behalf of the veteran. The flag may be used to cover the casket and it is presented to the family as a keepsake. The local office of the Department of Veterans' Affairs can also provide information on the procedure for obtaining a flag for a deceased veteran.

On September 11, 2001, 19 militants associated with the Islamic extremist group al-Qaeda hijacked four airliners and carried out suicide attacks against targets in the United States. Two of the planes were flown into the towers of the World Trade Center in New York City, a third plane hit the Pentagon just outside Washington, D.C., and the fourth plane crashed in a field in Pennsylvania. Often referred to as 9/11, the attacks resulted in extensive death and destruction, triggering major U.S. initiatives to combat terrorism and defining the presidency of George W. Bush. Over 3,000 people were killed during the attacks in New York City and Washington, D.C., including more than 400 police officers and firefighters.
